

2023 Iowa Master Pork Producer Awards

The Extension Service of Iowa State University and the Iowa Pork Producers Association are cooperating again in 2023 to recognize Iowa's outstanding pork producers with the Master Pork Awards program. These awards promote diversity, efficiency, and excellence in pork production in Iowa.

Nominations:

Nomination may be made by county extension personnel, extension swine field specialists, county pork associations, production companies, or other pork producers. **All nominations are due Aug. 1, 2023.**

Nomination Criteria:

- 1) Nominees must be:
 - a. A member of the Iowa Pork Producers Association, whether at the state and/or county level.
 - b. Iowa residents.
- 2) Nominees must be engaged in pork production at the farm level, this includes sow farm, feeder pig production, wean or feeder pig finishing, contract production, or a farrow-to-finish system.
- 3) Nominees should have at least five years of experience in pork production.
- 4) Nominees and nominated spouses must have an active role in on-farm day-to-day management decisions but need not be the owner.
- 5) Producer must be able to demonstrate current certification in Pork Quality Assurance Plus (PQA Plus) and have completed a PQA Plus site assessment (prior to nomination) on all production sites.
- 6) Nominees should have demonstrated community involvement (i.e., church, school, commodity associations, extension, other volunteer opportunities, etc.)
- 7) Nominees should demonstrate excellence within their production system. Consider the following for examples:
 - a. Willingness to share new ideas and practices
 - b. Proactively working on issues facing the swine industry.
 - c. Clear knowledge of and involvement in activities that support the We Care responsible pork initiative.
 - d. Herd Health - Knowledgeable about herd health programs and preventive medicine techniques.
 - e. Facilities - Facilities adequate for pork production; knowledgeable on facility maintenance and repair.
 - f. Nutrition and Feeding - Knowledgeable of feed program and medications used on the farm.
 - g. Sanitation – Knowledgeable on the manure management plan for the site(s).
 - h. Records - Have production records and a firm grasp of production costs. Demonstration of compliance with PQA Plus records such as medication and treatment records, daily observation records, and mortality records.

- i. Production statistics - Nominees should be able to communicate pounds of feed per pound of gain, pigs weaned/litter (if producer has sows), pigs/sow year (if producer has sows).

Award Rules:

- 1) All nominations must be postmarked by **Aug. 1, 2023**.
- 2) No more than four nominees per IPPA district
- 3) Nominators should work with nominees to complete the nomination form.
- 4) Nominators are highly encouraged to include a letter of recommendation from the nominator detailing why the nominee should be recognized for the award. (i.e., production performance, management skills and capabilities, industry/community involvement, issues and industry knowledge, and other special achievements.)
- 5) Previously honored Master Pork Producer Award program awardees are not eligible to receive the award.

Selection Process:

| Date | Activity |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Aug. 1 thru Aug. 11, 2023 | Applications will be reviewed by Iowa State Extension and IPPA staff for eligibility. |
| By Aug. 23, 2023 | Nominees will be notified of selection and scheduling of visits will begin. |
| Aug. 24 thru Dec. 1, 2023 | Selection committee will complete on-site visits with nominees. This will include photos and video interviews. Questions will be provided prior to the visit. Visits are scheduled to best fit nominee’s schedule. |
| By December 1, 2023 | Final award winners will be notified by the selection committee. |
| Jan. 24, 2024 | Individuals will be honored at the Master Pork Producer Banquet held during the Iowa Pork Congress. |

Nomination Submission:

Applications with letter of recommendation from nominator are due Aug. 1, 2023. They may be:

Mailed: _____ **Emailed:** cvangilst@iowapork.org **Faxed:** (515) 225-0563

Iowa Pork Producers Association
 Attn. Cory Van Gilst
 PO Box 71009
